Prior to the constitution of the Sanitary Board, at the Kolar gold fields, the following establishment was entertained to look after the Sanitation of the Gold Fields, ~~and~~ the cost of such establishment being debited to Provincial and District Funds in equal proportions.

Thus it will be seen that the Dy Conservr's proposal involves an additional expenditure of Rs 124 per mensem.

II. The Dy Conservr now solicits sanction to the above and points out provision in the current year's D.F. budget from which the extra charge for the months of May and June 1900 may be met.

III. Recently, the Gold Fields have been formed into a ~~Separate~~ Circle and a Sanitary Board ~~established~~ formed ~~therefor~~ with separate funds therefor. ~~The~~ Conservancy establishment costing Rs 3850 for 7 months × has been sanctioned per annum to be met from those funds.

In Govt Pro: No. 5337-9 / 7114-92 dy 22-9-93, Govt sanctioned the entertainment of the marginally noted establishment to look after the Sanitation of the Gorigam Village and Sundry coolilines outside the mining estates and the establishment was placed under the control of the Special Magistrate.

2. on a Subsequent reference from the Dy Commr, Govt increased the above establishment in Pro: No. 11262-5 dy 1-4-96 / 7114-92 as noted in the margin, Rs 2412 per annum.

(1&2) Docket No. 193 of 26-5-00 with a letter from [illegible]

7- With reference to the first query, the Dy Comrs. reports that the proposal for the horse allowance referred solely to the Sanitary

Board establishment &
not to the plague esta-
blishment, which is now
entirely a separate one,
that as the other two owners
mentioned in this office
no. 12550/114-92 dy 18-5-99 belong
to the plague establishment, Please see para 4 supra.
no recommendation was
made for their horse allowance
that separate proposals* for
the grant of horse allowance
to them have been submitted
from the Plague Department.
He further adds that the
financial condition of
the Sanitary Board does
not admit of the retaining
the establishment sanc-
tioned in Pro: no. 11262-5/114-92 dy 8.6.4
-4-96, if any portion of
its cost is to be debited to
the funds of the Sanitary
Board & that the matter
will, however be placed
before the Board for discussion
& the resolution submitted
to Govt.

This is a letter for disposal

(8) In the meantime, the Dy Commr has proposed to increase the rent and strengthen the establishment sanctioned in Pro: Nr. 11262-5/114-92 dy 1-4-96 as follows: —

(1) To grant a horse allowance of Rs 15 to each of the two Sanitary overseers

(2) To employ 3 additional peons on Rs 10 each.

(3) do 8 additional lorries on Rs 8 each as a temporary measure till the plague scare subsides

This is also temporary.

Thus it will be seen that the Dy Commrs proposal involves an additional expenditure of Rs 124 per mensem from the D. F. of Kolar

9. Though the establishment sanctioned in Pro of the 1st April 96 was temporarily transferred to the Plague Department, the Dy Commr has now made a reference, as though it is

a pure sanitary establish-
ment and points out the
provision in the current
years D ~~of~~ Budget, from
which the extra charge
~~can be met.~~ of Kolar

(9) It is submitted
that the Kolar Gold
Fields Sanitary Board
having been recently
constituted with separate
jurisdiction and funds,
it is a matter for
consideration how any
portion of the D. F. of
Kolar, to which no revenue
is credited from the Gold
Fields Circle, can be spent
on account of establish-
ments sanctioned in 1896. continued the

ments sanctioned in 1896. for the

other D. F. Boards which

said establishments, which

may be made over to

~~cost~~ being ~~deducted~~ to the
Sanetary Board for maintenance
Submitted.

Yes C. The maintenance of two or 23/
distinct sanitary establishments
in the same town, but from different
funds, seems inconvenient. The 13
resolution referred to in the 4/ 28-6-00
last sentence of para 7
may perhaps be avoided.

The cost of the Isolation
Question is a legitimate
charge against the
funds of the Good
Fields Circle.

3. And if so whether the Board are prepared to bear a moiety of the cost of such establishments if any, and of contingencies (108 Rs) -

In reply to the above has the honor to inform him that the memo under reference referred solely to the Sanitary Board establishment and not to the plague establishment which is now an entirely separate one. The other two overseers mentioned by him belong to the plague establishment hence they were not recommended for Horse allowance in the memo. Separate proposals for grant of Horse allowance to them from the plague Department have been submitted.

As regards his second query. the enclosed statement shows at a glance the establishment at present entertained under the two Separate funds of Rs 2304/ sanctioned by Proceedings No 11262-5 / 114-92 dated 1st April 1896. and Rs 7860 sanctioned by Proceedings No 5301-2 / L.F. 17-99 dated 3d November 1899. it should be explained that the whole establishment entertained under the former funds are transferred for duty under the plague Officers and it seems to the undersigned therefore that that Dept is the one which should bear the cost of their maintenance

The undersigned does not Consider the financial Condition of the Sanitary Board would justify its retaining this establishment if any portion of its cost is to be borne by

ey the Board - but the matter will be made a subject of discussion at the next Board meeting and the Resolution thereon will be intimated to him -.

To enable Govt to pass final orders on the above reference, the Precedents attention is invited to the concluding para of the ~~letter~~ Docket c/o 493 of 26-5-00 from the President of the Kolar Gold Fields Sanitary Board submitted with his memo of 29th Idem and he is requested to submit a copy of the Board's resolution in regard to their willingness to bear any portion of the cost of establishments therein referred to.

S.102

(2) It is observed that the temporary establishment costing Rs 972 is stated to have been

entertained on the authority of Govt Pro (cto 121-33 D 16/2/99) Rest. as this order merely placed a sum of Rs 2000 at the disposal of the Dy Comr for expenditure in connection with Plague Preventive measures and accorded no specific sanction to the employment of the establishments, he should have obtained the special sanction of Govt for the continuance thereof after the expiration of 3 months from the date of entertainment as requested in Pro cto 5127-5207 D 21.6.92 L635

The Dy Comr is therefore requested to state the correct cto & date of Govt order, if any, sanctioning the establishment and to submit a copy of the resolution of the Kolar Gold Fields Sanitary Board in regard to its willingness to bear the cost of this establishment in the event of its continuance being found necessary.

(3) It is noted that if the Board are not prepared to bear the cost of these 2 Establishments (now working under order of the Special Plague Fund) as sanctioned in Pro cto 611-17 D 16/7/00 114-92

^ and charged to the allotment of Rs 2000 annually made "for the general sanitation"

They should either be done away with or their cost debited to Plague Funds, it being not a legitimate charge on the D.F. of Kolar

To

The Secretary to the Government of Mysore Revenue and General departments.

Sir,

With reference to your docket No. 2377 / 114-92 dated the 19th September 1900 requesting quote the correct No. and date of the Government Order sanctioning the establishment for the Sanitation of the Kolar Gold fields &c, I have the honor to state that Government sanctioned the entertainment of 1 Sanitary Inspector on ~~Rs~~ 30+15, one peon ~~Rs~~ 8/- and 8 Bhoties on ~~Rs~~ 8/- each firstly Proceedings No. 5337-9 / L.F. 114-92 dated 22/9/93, half of the cost being borne by district funds and the other half from Provincial funds.

Subsequently in Proceedings No. 11262-5 / L.F. 114-92 dated 1st April 1896, the staff was increased to one Inspector on ~~Rs~~ 50+20, One peon on ~~Rs~~ 10/- and 14 Mhotics on ~~Rs~~ 8/- each the cost being met as before. Again in Proceedings No. 372-4 / L.F. 114-92 dated the 8th July 1896 the entertainment of two Sanitary Inspectors one on ~~Rs~~ 40 and the other on ~~Rs~~ 30/- instead of one on ~~Rs~~ 50+20, was sanctioned.

(2). This Staff was working under the supervision of the Special Magistrate at first. Afterwards Dr. Krishnaswamy Iyer having been appointed the plague officer of the Gold Fields the above staff was ordered to work under him. This arrangement still continues. When the Sanitary Board was formed they appointed a new set of overseers and Mhotics instead of taking over the original staff.

(3). The retention of both establishments will form the subject of discussion at the next meeting of the Sanitary Board.

the result of which will be submitted in due course.

For President

Proceedings of monthly meeting of the members of the Kolar Gold Fields Sanitary Board held on 2nd November 1900.

Read Chief Secretary's letter No. 12550 / L.F. 114-92 dated 18th May 1900 to the President Local & Mle. Fund Boards Kolar District asking him whether the Board are prepared to bear a moiety of the cost of Sanitary Establishment Sanctioned in Govt. Proc. No. 11262-5 / L.F. 114-92 dated 18th April 1896 in case of it being continued.

I. Resolved that in view of the fact that a recrudescence of Plague is threatening and of the near approach of cholera to the Board's area it is desirable, at any rate for the current year, to maintain the existing establishment at its present strength. In view of the fact that the work of this establishment is largely Sanitary the Board considers a moiety of its cost a fair charge and is willing to accept it. The establishment to be in that case reverted to the control of the Sanitary Board.
